# Letter Detectives

Uppercase & Lowercase Letter Recognition

## Directions

1. Identify the letter in the magnifying glass on the worksheet.
2. Search for the uppercase and lowercase letters on the page.
3. Color the letters when you find them.
4. Count the letters and write the amount you found!

Use these labels when storing your Work Station in a 2 pocket folder. Use the first two on the left and right pockets and the third one on the back of the folder

## Notes about Letter Detectives

This packet was designed to be used to enhance uppercase and lowercase letter recognition. These worksheets can be used in a learning center, for morning work, or for homework.

I like to put this activity in a learning center when I am working on a letter. I vary the materials the children use to cover the letters: crayons, markers, colored pencils, highlighters, self adhesive seasonal foamies, mini stickers, Do-A-Do markers, and water color paints are a few I have tried. You could also laminate each sheet and have the children cover the letters with game markers.

Each letter has a different amount on the page!

\*\*You can also have more advanced children color the uppercase and lowercase letters a different color.
